

RTS

COMMISSIONING S.A.

OIL & GAS

ABOUT US

RTS Commissioning is an Argentine Company, bringing integral solutions to the industry, since 2013.

RTS Commissioning brings services to Petrochemical, Oil & Gas, Generation Power Plants and Mining Companies in: Argentine, Bolivia, Colombia, Perú, Uruguay, USA, Europe, Middle East and other countries.

Made up of specialized professionals in all the activities carried out during the stages of Engineering, Procurement, Construction, Mechanical Completion, Pre-commissioning, Commissioning, Start-Up, Assisted Operation, Test Run, Mechanical Maintenance and Instrument Calibration, among other services; in order to achieve a safe commissioning, planned in time and reaching quality standards required by our customers.

VISION

Consolidate our position as leaders in the national market, expanding our services worldwide as a company respected by our customers, suppliers and partners for our professionalism, innovation and excellence in reliable process solutions.

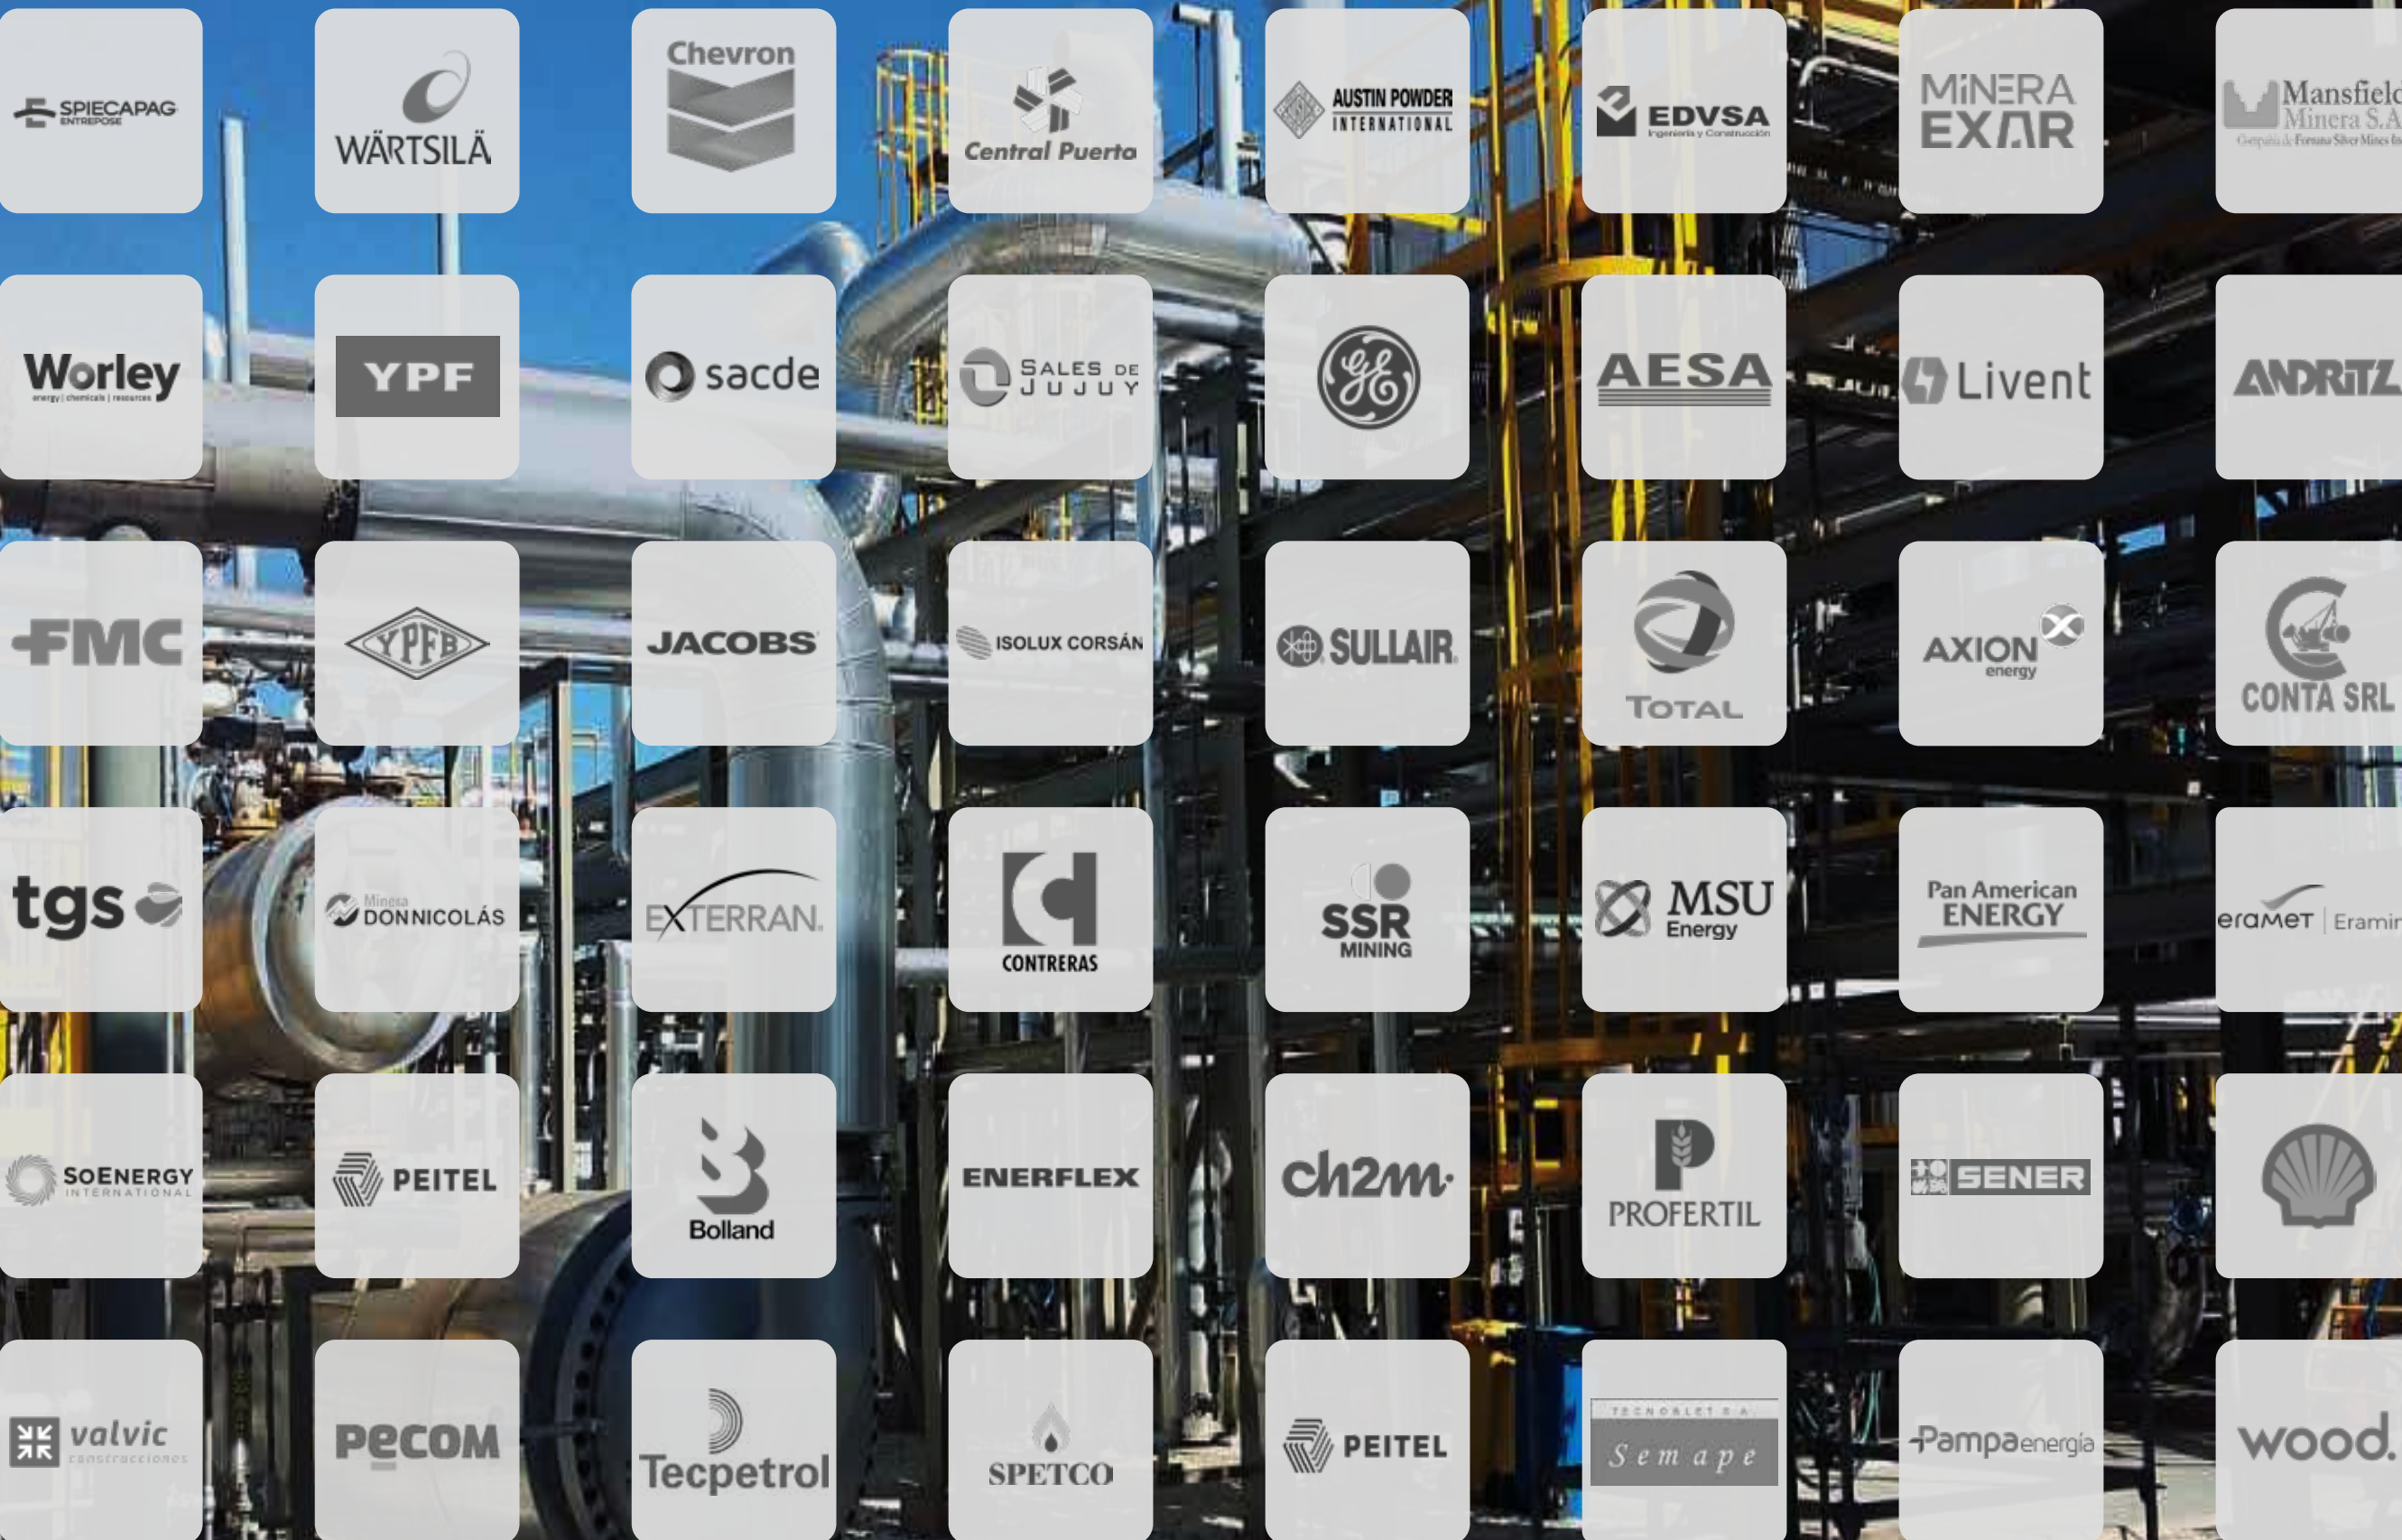

MISSION

Know our customer needs, their processes and problems, providing them quality, quick and efficient services.
